MESSAGE

The Nagaland Board of School Education is all set to conduct the HSLC Examination 2021 from the 7th April 2021 and HSSLC Examination 2021 from the 6th April to 29th April 2021. The examinations are going to be conducted in an extraordinary situation this year due to the COVID-19 pandemic.

I would like to convey my best wishes to all the candidates who will be appearing these two examinations. I also appeal to all the Examination Centre Superintendents and Invigilators to conduct the examination in all fairness. All the candidates and staffs involved should observe the preventative measures/SOPs issued by the State Government during the conduct of the examination. All should take care and stay safe.

Once again, I wish all the candidates the very best and urge everyone concerned to take necessary precaution to keep yourselves safe.
