However, as the entire disbursement process is conducted through an online platform, certain technical issues have resulted in a temporary delay. The Department is actively addressing these issues to ensure that the scholarships are disbursed at the earliest. The scholarship amount will be directly credited to the beneficiaries' bank accounts through the Aadhaar-based Direct Benefit Transfer (DBT) system as and when the funds are credited to the dedicated RBI Scholarship Account.

The following are notified for the information of all beneficiaries and stakeholders:

1. The Department shall disburse the **Post Matric ST Scholarship to 40,791** beneficiaries, with a total sanctioned amount of **₹5497.86 lakhs**. The disbursement shall be made online through the Aadhaar-based Direct Benefit Transfer (DBT) system.
2. SMS notifications have been issued to beneficiaries whose bank accounts are not Aadhaar-seeded and enabled for DBT. Such beneficiaries are advised to complete the Aadhaar seeding process at the earliest to facilitate the smooth and timely credit of scholarship funds into their accounts.
